## **Kayaking in Puerto Rico**

The Taino Indian settlers probably arrived in a dugout canoe thousands of years ago, but kayaking has just recently become popular in Puerto Rico. A kayak or canoe is a marvelous way to sightsee or bird watch on the island's many lakes, or on its countless coastal inlets, coves and bays. There are many places you can rent a kayak, join an excursion or take classes.

### **Kayaking Companies in Puerto Rico**

#### **Ballena Bay**

Bordering the Guánica Tropical Dry Forest, a United Nations designated International Biosphere Reserve. Punta Ballena Reserve is included in the Biosphere Reserve for its coastal ecosystem. It contains mangrove forest, manatees, nesting sites for turtles and crested toads. There are offshore cays to kayak and snorkel.

#### **La Parguera, Lajas**

Local boat/kayak rentals, deep sea-fishing charters, diving, snorkeling and windsurfing operators make any adventure easy in this fisherman community. Do not miss a boat or kayak trip at night in the Bioluminescent Bay at La Parguera.

#### **Boquerón, Cabo Rojo**

This fisherman community is known for its wonderful beaches and colorful sunsets. Scuba, snorkeling, windsurfing and kayaking are found everywhere.
